*All you need to know about North Broward Prep Athletics!*

## THE GLOBAL GAMES 2017

North Broward Prep took over 120 middle school student-athletes to compete in The Global Games of 2017. This was a great event that promoted school spirit, sportsmanship and friendly competition versus our sister schools. We are very proud to say that our students from NBP represented our school community in a positive manner on and off the playing fields.

Although we did not come home with the Overall Cup, NBPS did finish in 2nd Place out of the 13 schools in attendance. Overall it is safe to say that the students had a great experience that they will always remember and we did bring some hardware home.
